### **Kiteboarding Insurance Essential**

*Kiteboarding Insurance Essential*

/24-7PressRelease/ - FORT LAUDERDALE, FL, August 24, 2006 - According to Logan Long, president of AKSA, "It is irresponsible for our members to travel abroad and participate in this exciting but risky sport without proper insurance coverage. It is for this precise reason that AKSA has aligned with eGlobalHealth Insurers Agency, LLC and MNUI to provide the best sports rider insurance coverage available today."

The American Kite Surfing Association (AKSA) is making international insurance coverage easy to secure with instant confirmations online and via email. AKSA members can receive this important coverage by visiting:  
<http://www.eglobalhealth.com/aksa.html>

The four programs being offered to AKSA members include:

- The Atlas Series: Short-term health insurance for individuals traveling outside their Home Country.  
Whether traveling for business or pleasure, the Atlas plan is ideal. Packages are available from a minimum of 5 days up to a maximum of one year. At no additional cost, the Atlas Series adds coverage for Emergency Medical Evacuation, Acts of Terrorism and Complications of Pregnancy.
