Springfield, MO, January 01, 2008 --(PR.com)-- Effective January 1, 2008, eGlobalHealth Insurers Agency, LLC officially launches www.GlobalRiskBroker.com, a unique online, independent special risk insurance brokerage agency. Features include such programs ranging from high-risk global medical, life and disability insurance to special risk contingency plans like Kidnap and Ransom Insurance & even Defense Base Act Workers' Compensation coverage. "We cater to a large demographic of clients up to and including independent contractors that are helping in the Iraq & Afghanistan reconstruction," states Derek Patterson, CEO & Founder of eGlobalHealth Insurers Agency, LLC.

"GlobalRiskBroker.com aspires to be the premier global resource for clients requiring global special risk insurance programs." Patterson states that in this day and age, many clients, from leisure to executive travelers, require a level of coverage that goes beyond traditional markets. These programs are underwritten by certain Underwriters at Lloyds of London, AIG and ACE, among other top A rated carriers.

Mr. Patterson notes that eGlobalHealth and GlobalRiskBroker.com also work closely with other agents / brokers in the United States and abroad, providing superior agent support and products. "We are a valuable resource for placing high risk cases for any independent agent, agency or financial planner."

Current clients consist of those ranging from professional athletes, entertainers, executives, independent contractors to Iraq / Afghanistan, motor sports racers and many other high-risk professions. "We also offer specialized coverages to those adrenaline junkies that like to partake in such thrill seeking activities up to and including BASE jumpers, kite surfers and extreme mountaineering, to name only a few".

Derek Patterson is a third generation independent broker tracing his roots back to 1941 with the opening of the original Patterson Agency, Inc. eGlobalHealth Insurers Agency, LLC was founded in 2002 to bring travel medical & other special risk global insurance programs into the 21st century via the world wide web. eGlobalHealth Insurers Agency, LLC has clients from all walks of life, in every corner of the Globe: "Insuring the Globe", one risk at a time.
